*Accredited Debt Relief LLC is an affiliate of Beyond Finance, Inc. Beyond Finance, Inc., is a servicing provider for most debt settlement services offered by Accredited Debt Relief. Beyond Finance's clients who make all monthly program payments pay approximately 68%-75% of enrolled debt (including fees) upon successful program completion. Programs range from 12-48 months. On average, Clients receive their first settlement within 3-5 months of enrollment. Not all Clients complete the program. Estimates are based on prior results and may not match your results. We cannot guarantee that your debts will be resolved for a specific amount or percentage or within a specific timeframe. We do not assume your debts, make monthly payments to creditors or provide tax, bankruptcy, accounting, legal advice or credit repair services. Program is not available in all states; fees may vary by state. The use of debt settlement services will likely adversely affect your credit. You may be subject to collections or lawsuits by creditors or collectors. Your outstanding debt may increase from the accrual of fees and interest. Read and understand all program materials prior to enrolling.
